WRIT OF QUO WARRANTO

NOW COMES: *WE*, Paul-Kenneth: House of Cromar, and Barbara-Ann: House of Cromar (hereafter “Barbie and Ken”), *sui juris*, the sole, lawful Executors and Heirs of these Estate of the same names, were recently “found to be living” by a jury of Our peers in a court of record (details below), under a flag of peace, hereby file this **QUO WARRANTO** advising all officers of the above captioned courts that YOUR *individual right to hold an office or governmental privilege is challenged*.

(Note: see US DISTRICT COURT case 2:20-cv-00625-DBB May 26, 2021 filing of CONDITIONAL ACCEPTANCE OF OFFER: “ORDER DENYING PLAINTIFF’S MOTION TO VOID THE EX-PARTE JUDGMENT ORDER”, UPON PROOF OF CLAIMS **Special Notice Exhibits A, B, C, and D**, regarding Coronor’s inquest & Cestui Que Via Act of 1666.)

In old English practice, the *writ of quo warranto*—an order issued by authority of the king—was one of the most ancient and important writs. As TWO of *We the People*, Paul & Barbara hereby declare and notice to a candid world of the abuse of *Us* and U.S. American PEOPLE by public officials and their over-reaching “authority”, and *We* as an appointed king and queen unto the Most High God, endowed with a Divinely appointed inheritance, but herein also in the name of *We the People* generally, require investigation via **Quo Warranto**. We have suffered by abuse, neglect, deceit, error, arrest, theft of home, land, property, records, personal papers and record, misprision of felony, finding not one sworn Official to step between us and tyrannical government which has denied us the most basic of rights of due process, Hearing, Discovery, facing and interrogating our accusers under oath, before a trial by a jury of our peers. We have been damaged severely. Thus ALL of *We the People* have been damaged. To wit:

When one of the People’s rights are protected,

*then ALL of **We the People**’s Rights are protected.*

When one of the People’s rights and inheritance is denied,

ALL of the People’s Rights and inheritance are denied.

Since November 22, of 2017, when the Department of Justice filed a Complaint against *Us*, falsely claiming that we owe \$1,053,028.65 we have suffered at the hands of a number of judges, many officers of the court, and law enforcement officers our lives have been terrorized, with life and limb threatened. We live in a state of constant fear, facing 1-15 years for “burglary” of *Our* home.

BAR association controlled federal and state court judges, by their presumed authority, contrary to their oath and duty fraudulently claim the Constitution for the united States and its cap-stone Bill of Rights abolished by traitorous BAR (British Accredited Registry) controlled legislators, acts of conspiracy, treason and war against the United States.

We the People Decree by Quo Warranto all said unconstitutional legislation null and void and declare all such subversives enemies of the Peoples of the united States of America and order all United States Marshals, Bailiffs, County Sheriffs and Deputies to arrest all such federal and state judges for conspiracy, treason and breach of the peace when witnessing the violation of Peoples’ unalienable rights from the bench, in violation of Article III Section 3 for levying war against the people, adhering to the enemy, giving aid and comfort.²

18 U.S. Code §2385 – WHOEVER ORGANIZES OR HELPS OR ATTEMPTS TO ORGANIZE ANY SOCIETY, GROUP, OR ASSEMBLY OF PERSONS WHO TEACH, ADVOCATE, OR ENCOURAGE THE OVERTHROW OR DESTRUCTION OF ANY SUCH GOVERNMENT³ BY FORCE OR VIOLENCE; OR BECOMES OR IS A MEMBER OF, OR AFFILIATES WITH, ANY SUCH SOCIETY, GROUP, OR ASSEMBLY OF PERSONS [BAR], KNOWING THE PURPOSES THEREOF - SHALL BE FINED UNDER THIS TITLE OR IMPRISONED NOT MORE THAN TWENTY YEARS, OR BOTH...

³ **Preamble** We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America. **Article I Section 8** To make rules for the government and regulation of the land and naval forces;

⁴ **QUO WARRANTO.** In old English practice. A writ, in the nature of a writ of right for the king, against him who claimed or usurped any office, franchise, or liberty, to inquire by what authority he supported his claim, in order to determine the right. It lay also in case of non-user, or long neglect of a franchise, or misuser or abuse of it; being a writ commanding the defendant to show by what warrant he exercises such a franchise, having never had any grant of it, or having forfeited it by neglect or abuse. 3 Bl.Comm. 262.

law finds lodgment in our constitutional jurisprudence. No higher duty rests upon this Court than to exert its full authority to prevent all violations of the principles of the Constitution"
[Downs v. Bidwell, 182 U.S. 244 (1901)]

COMES NOW TWO OF THE PEOPLE THE COMMON LAW⁵ by a PETIT JURY of our peers held May 23, 2021, were "found to be living", of age (over 25 – not minors), of sound mind, and competent to manage our affairs over the land, sea and air, including our newly discovered divinely appointed INHERITANCE as sole Heirs, and as a king and queen to the Most High God, have returned to the land of the living (hence not "lost at sea", nor to be presumed dead any longer), and have appointed ourselves the sole Executors of Our Paul-Kenneth: House of Cromar, and Barbara-Ann: House of Cromar estates for which we seek an accounting and restoration, AND a dismissal, void and vacating of all corporate court actions unlawfully taken against *Us* as People not subject to foreign jurisdictions which attempt to unlawfully deny our God-given right to Life, Liberty, Property (Our Home!) and Pursuit of Happiness, in violent violation of Constitutional Oaths to protect Our rights – and by extension cause incalculable damage to ALL of *We the People*.

It is while WE have been denied due process and hence JUSTICE in a number of venues, that we have come to discover why we have been ignored and treated as children. The reason is simple, the once great judicial system of this nation has been drip, drip, drip over time, been completely compromised from Constitutional Courts under Article III, to mere commercial courts designed for profit, accessing untold wealth created for and in behalf of each of the People at their birth. The war born of the Declaration of Independence of 1776, with the British did not end then, nor at the War of 1812. The Crown has never let go of its selfish, megalomaniacal thirst for wealth on this land, and sent out its agents to secretly turn the courts of justice into to courts of equity / probate, in order to secretly steal the wealth of this Land of Promise through it's children.

WE COMMAND all County, State, Federal and US Supreme Court judges and clerks to perform their duty guaranteeing to every state in this union a republican form of government⁶ and protect each of them against invasion⁷ under the Constitution of the united States of America as sworn, -- or vacate your office now.

⁵ **COMMON LAW** - Article VI - This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

⁶ **Article IV Section 4.** The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

⁷ **INVASION.** (Blacks 4th) An encroachment upon the rights of another; the incursion of an army for conquest or plunder. Webster. See /Etna Ins. Co. v. Boon, 95 U.S. 129, 24 L.Ed. 395. CONSTITUTIONAL LIBERTY OR FREEDOM. Such freedom as is enjoyed by the citizens of a country or state state under the protection of its constitution; the aggregate of those personal, civil, and political rights of the individual which are guaranteed by the constitution and secured against invasion by the government or any of its agencies. People v. Hurlbut, 24 Mich. 106, 9 Am.Rep. 103.

Rectify the injustices, and secure our inheritance back to us by law, or expose yourselves to consequences of Common Law established under the Magna Carta, Declaration of Independence, Consitution, and Bill of Rights, and the potential penalties for High Treason against *We the People*. (see Exhibit A)

WHEREAS; *We the People* in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, did ordain and establish the Constitution for the united States of America that all Judges and all members of the Government both state and Federal are lawfully bound to Obey ⁸, DECREE THAT:

We, Barbie and Ken, as two of *We the People* have been providentially provided legal and lawful recourse to address the criminal conduct of persons, along with others entrusted to dispense justice. The People have the unbridled right by law and in law to empanel their own grand juries⁹ and present "True Bills" of information, indictment and presentment to a court of record, which is then required to commence a criminal proceeding. Our Founding Fathers with foresight grafted into the common law Fifth Amendment a "buffer" the *People* may rely upon for justice, when public officials, including judges go rogue, act in bad behavior and criminally violate the law.¹⁰

THE PRIME DIRECTIVE

The prime directive¹¹ ordained by the American People purposed their government to (1) form a more perfect union,¹² (2) establish justice, (3) insure domestic tranquility, (4) provide for the common defense, (5) promote the general welfare, and (6) secure the blessings of liberty to ourselves and our posterity.

⁸ **Article VI.** This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

⁹ **COMMON LAW GRAND JURY** - Amendment V No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury...; The Court of Appeals' rule would neither preserve nor enhance the traditional functioning of the grand jury that the "common law" of the Fifth Amendment demands. UNITED STATES v. WILLIAMS, Jr. 112 S.Ct. 1735; 504 U.S. 36; 118 L.Ed.2d 352.

¹⁰ **UNITED STATES v. WILLIAMS**, 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352; No. 90-1972. Argued Jan. 22, 1992. Decided May 4, 1992.

¹¹ ¹³ **Preamble to the Constitution for the United States of America** - We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America

¹² A perfect union of states but a "more perfect union" among the People, anti-federalist papers, Bruno.

The subsequent violent felony acts of war against Us “Barbie and Ken” specifically and *We the People* generally, by our servants against the aforesaid prime directive (1) debilitates the union of the American People, (2) establishes injustice, (3) undermines domestic tranquility, (4) renders the People vulnerable to foreign and domestic enemies, (5) destabilizes the general welfare, and (6) annihilates the blessings of liberty to ourselves and our posterity.¹³

WE have OBJECTED to and loudly DECRY the IRS’s fabricated claim of our having a \$1,053,028.65 income liability. We DECLARE it an obvious INJUSTICE that Chief Judge Shelby knowingly granted summary judgment without *due process*, clarification of alleged law(s) broken, requested hearing, filings blocked, facing accusers, determining claims against us under oath and penalty of perjury, before a jury of our peers. Instead, he sent 13+ US Marshals to unlawfully and without signed and sealed Warrant removed us from our home and property at the point of guns on June 24, 2019. Our home and property was auctioned on courthouse steps September 10, 2019. Appeals to Circuit Court denied conditionally, but own rulings not upheld when “winning” bidder defaulted on his \$330,000 bid (did not have the required 10% down of \$33,000) and later on paying the complete amount, requiring a new Public Notice for a private sale as required in Title 28 USC 2001(b) by ORDER of the Tenth Circuit Court of Appeals.

Upon denial of JUSTICE by Chief Judge Robert J. Shelby, a man who we have never seen nor heard, nor know what he looks like, THEREFORE his judgments and Orders were declared VOID and Vacated for his own actions FRAUD and SWINDLE in dishonor. “Fraud vitiates the action”. And, after 10 months of living on the kindness of friends, and moving ten times, we simply returned to our home and property our LAND PATENT #392 part and parcel thereof, secured to our “heirs and assigns forever” as signed on February 26, 1887 by then President Grover Cleveland, and backed by 180-years of UNANIMOUS Supreme Court findings. No one has attempted to challenge this claim. Why have ALL oath-takers have ignored the Supreme Court’s of 180 years – in violation of their oath of office? Our superior, pure allodial title unde a lawfully secured LAND PATENT #392 should have been all any “public servant” should have needed to know to inspire them to run to the defense of “Barbie and Ken”.

However, a third party interloper, a religious leader named Bishop Brett Belliston, hiding behind a corporate shield COPPER BIRCH PROPERTIES LLC, claimed he won the auction which neither he nor

¹³ **Declaration of Independence** - We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness

any of his representatives attended, and then sought a *Writ of Assistance* and filed “SEALED” documents in support to “remove the Cromars from ‘his’ house”, but was denied the Writ of Assistance for “lack of standing”. Nevertheless, COPPER BIRCH falsely represented to the UTAH Fourth DISTRICT COURT, a so-called “judge” Kraig J. Powell that they had won the auction and that the US DISTRICT COURT endorsed their IRS fabricated “DEED”. But a conspiracy by DOJ prosecutor Ryan S. Watson and IRS auctioneer “Gary Chapman” (an alias – IRS Employee ID #10000324786), to steal our home was exposed in the UN-SEALED filing. Nevertheless, a 75-man SWAT team removed us from our home Sept 24, 2021.

During our 3.5 yearslong terroristic ordeal, we have come in contact with an estimated 200 various “public servants” who to obtain their positions and pay swore a sacred Oath of allegiance to the Constitution of the united States of America (and the Constitution of Utah state) with not one single oath-taker having stepped between us and tyrannical government that has damaged us, stolen our home without *due process*, meaningful *hearing* and *trial by jury*, in denial of our God-given, *un-a-lien-able rights*. NOT ONE oath-taker has come to our defense or rescue! Until a jury of our peers finds us guilty of the claims by the IRS, we are innocent!, and these 3.5 years of abuse, deprivation of rights, loss of home, possessions (7 large dumpster bins filled and emptied at unknown landfill), etc., DEMONSTRATES why every one of the 200 oath-breakers’ authority is herein CHALLENGED by this extreme but necessary **Writ of Quo Warranto**.

And now, as we’ve newly discovered “found to be living” that we are of sound mind, of age, and completant as a “king and queen” and sole heirs and Executors our massive inheritance, unknowingly and without our knowledge or permission, managed for us by unknown trustees and beneficiaries, while we are made “dead” on paper at birth, and turned into ALL CAP fiction “corporations” from which the corporate courts and governments profit by launching a fabrication of millions of dollars in bonds “born” from the first set of numbers carefully bonded into the birth certificates of each and every one of *We the People*. It is as though Satan read the Bible, got an idea and passed this on to his wicked followers: “*This is the heir: come, let us kill him, that the inheritance may be ours.* (Luke 20:14, Mathew 21: 38, and Mark 12:7) These land pirates have taken over the courts and have been running with the idea ever since.

None dare call it conspiracy, but it is without question High Treason. As the newly “returning” sole Heirs, and lawfully appointed **Executors** of the Paul-Kenneth: and Barbara-Ann: estates of the House of Cromar, we DEMAND an accounting of our inheritance, and require via this Quo Warranto a declaration of authority and proof thereof as explained herein below. It is Our inheritance. If any individual dare to claim to be executors of our estates, they must declare so NOW with a signed, sealed and delivered Affidavit within 10 days of receipt of this Quo Warranto – or forever forfeit that opportunity.

subterfuge against the American People by secretly denying the very republican form of government¹⁴ that they took an oath¹⁵ to protect and defend against all enemies foreign and domestic – turning power, influence and wealth to foreign powers, and usurpers. Thereby it is the duty of all oath-takers to take a stand now, obey and defend the Constitution, and assist the People in arresting and terminating the following unconstitutional acts, by simply obeying the law of the land and acknowledging the unalienable right of the People to self-govern. Therefore judges everywhere are commanded “AGAIN” to obey the law of the land and sign the attached mandamus. The excuse “we are only following orders” did not stand in Nuremberg and it most certainly “will not stand here.” To prove our conclusion, let facts be submitted to a candid world:

- Our servants have refused Assent to Laws, the most wholesome and necessary for the public good;
- Our servants have trodden upon the rights of the People, including lock-downs and mask mandates;
- Our servants have allowed fraudulent elections without corrections, enabling political coups against their will, and takeover of the People’s government by RICO criminal conspiracy **18 USC § 1962**;
- Our servants have created “vaccines” to “solve” a so-called “COVID 19” virus, which has not been isolated, and which shots are NOT true vaccinations but rather mRNA gene altering toxin therapies, which have not been fully tested or approved, but financed by We the People – killing many;
- Our servants have used the People’s money to finance a foreign nation (China who was declared to be our greatest enemy to our freedom) to fabricate the COVID 19 virus which has reportedly killed hundreds of thousands, and which “remedy” may have caused
- Our servants have passed legislation destructive to the Constitution, forbidden by the same;
- Our servants have exposed We the People to all the dangers of invasion from without, and subversion from within via failed Socialist policy that history teaches results in suffering and death;
- Our servants have obstructed the laws for illegal-alien who are flooding our nation with foreign insurgents some hostile destroying our economy and putting at risk the security of our States;
- Our servants have obstructed the Administration of Justice, by refusing acquiescence to laws established for Judiciary powers;
- Our servants have transformed judges into chancellors dependent upon the will of the BAR Guild alone, a society of mercenary economic corporate hit men-Esquires¹⁶, resolute on destroying common law, the foundation of America;
- Our servants have erected a multitude of 4th Branch administrative agencies unaccountable to the Constitution, and sent hither swarms of corporate administrative, disobedient to the Constitution, revenue and code enforcement officers to harass our people, and eat out their substance;
- Our servants have kept among us, in times of peace, Standing Armies and excessively militarized local police forces without the Consent of the People;

¹⁴ Article IV Section 4, The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion;

¹⁵ **Article VI** The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution;

¹⁶ ESQUIRE. In English law. A title of dignity next above gentleman, and below knight. Also a title of office given to sheriffs, sergeants, and barristers at law, justices of the peace, and others. 1 Bl. Comm. 406; 3 Steph Comm. 15, note; Tomlins. On the use of this term in American law, particularly as applied to justices of the peace and other inferior judicial officers, see *Christian v. Ashley County*, 24 Ark. 151; *Corn. v. Vance*, 15 Serg. & R., Pa., 37.

- Our servants have joined with foreign bankers to subject us to a jurisdiction foreign to our Constitution, and unacknowledged by our laws; giving assent to their acts of pretended legislation;
- Our servants are secretly accommodating large bodies of armed foreign troops among us;
- Our servants have imposed a multiple of property-robbing taxes, direct taxes, fees and fines on us without our Consent;
- Our servants have deprived us of the benefits of honest Trial
- Our servants have deprived us of the benefits of honest Trial by Jury;
- Our servants have deprived us of the benefits of unriggered Grand Juries;
- Our servants have transported us into chancery courts to be tried for pretended offences;
- Our servants have enlarged its boundaries under the guise of District of Columbia (10 mile square federal city) so as to render it at once an example and fit instrument for introducing absolute rule into these States;
- Our servants have arrogantly disregarded our Bill of Rights, abolishing our most valuable laws, altering fundamentally the Peoples form of government, without consent;
- Our servants have plundered our manufacturing base, ravaged our small businesses and destroyed the lives of our people;
- Our servants have excited domestic insurrections amongst us, causing billions of dollars in destructions of property, harm and death without prosecution;
- Our servants have engaged in human trafficking of our children and elderly through courts;
- Our servants have engaged in Racketeering and extortion through our courts;
- Our servants have held mock trials in courts not of record and thereby unlawfully incarcerating and financially fleecing millions of People, denying due process;
- Our servants have empanelled bogus puppet grand and petit juries in order to perform BAR will and profiteering;
- Our servants have stolen our homes in rem and fraud assisting bankers in double-dipping;
- Our servants have kidnaped our children and destroyed our families in family courts;
- Our servants have robbed our parents, turned their twilight years into nightmares and destroyed our families in probate court;
- Our servants have turned our common law courts into chancery courts of injustice;

Our servants have transformed our unalienable rights into crimes violating at every stage our Bill of Prohibitions, serving the BAR and not the People:

- Against Amendment I our servants have prohibited the free exercise of Judeo-Christian religion, our servants have denied free speech, our servants have commandeered the press, our servants have denied our right to petition the government for a redress of grievances;
- Against Amendment II our servants have dismantled the Militia and closed our armories, our servants have denied the right of the people to keep and bear arms;
- Against Amendment IV our servants have violated our privacy using bogus warrants, spying on the people, eavesdropping on our conversations and unlawfully maintaining files on the People to be used during the planned unlawful martial law to target dissenters and enslave the People;
- Against Amendment V our servants have accused People in courts not of law incarcerating millions with corrupt Grand Juries and forcing People to witness against themselves, our servants have deprived millions of life, liberty, or property, without due process of law, our servants have seized private property under rem and caprice;
- Against Amendment VI our servants have denied millions of People trials by an impartial jury, our servants have denied assistance of counsel unless they were BAR co-conspirators of the

court to stealthily deprive People of their unalienable rights;

- Against Amendment VII our servants have denied suits at common law, our servants have denied trial by jury, our servants have denied the Peoples heritage, common law;
- Against Amendment VIII our servants have imposed excessive bails, fines, cruel and unusual punishments for behaviors that are not crimes;
- Against Amendment IX our servants have denied scores of other unalienable rights retained by the people;
- Against Amendment X our servants have corrupted government at every level and have turned sovereignty of the People into a crime.

At every stage of these oppressions we have petitioned for redress in the most humble terms. Our repeated Petitions have been answered only by repeated injury. Servants whose character is thus marked by every act which may define a Tyrant, is unfit to be the stewards of a free People; we therefore command you to repent and obey the law of the land or face the wrath of We the People.

WAR AGAINST THE PEOPLE BY ADMINISTRATIONS

Preparation for war by executive legislation
“Necessity is the plea for every infringement of human freedom.
It is the argument of tyrants; it is the creed of slaves”. - William Pitt

Most executive orders end with the phrase “these executive orders don’t define what specifically constitutes a national emergency.” The following executive orders are just a few of 1000’s of executive orders, without authority, that are preparing to take full control over the lives of every man, woman and child in America, under the guise of necessity, these provide for:

- 1) Martial law (executive order #100, aka Lieber Code, 1863);
- 2) Formation of the FBI (executive order, 1908);
- 3) Presidential closing of all the banks in the country (executive order, 1933);
- 4) Presidential confiscation of gold (executive order, 1933);
- 5) Presidential removed property rights (executive order, 1933);

- 8) federal seizure of all food supplies and resources, both public and private and all farms and equipment, including what people are storing for emergencies in their homes (executive order #10998);
- 9) federal seizure of all means of transportation, including cars, trucks, or vehicles of any kind and total control over all highways, seaports and water ways (executive order #10999);
- 10) federal seizure of American people for work forces under federal supervision, including the splitting up of families if the government so desires (this happened in Europe during the Nazi regime) (executive order #11000);
- 11) federal seizure of all health, education and welfare facilities, both public and private (executive order #11001);
- 12) the powers the Postmaster General to register every single person in the US (executive order #11002);

15) federal seizure of all railroads, inland waterways and storage facilities, both public and private (executive order #11005);

16) FEMA's complete authorization to put above said orders into effect in times of increased international tension of economic or financial crisis in case of any declared "National Emergency" (executive order #11051);

²⁸ **COURT OF CHANCERY.** A court having the jurisdiction of a chancellor; a court administering equity and proceeding according to the forms and principles of equity. In England, prior to the judicature acts, the style of the court possessing the largest equitable powers and jurisdiction was the "high court of chancery." In some of the United States, the title "court of chancery" is applied to a court possessing general equity powers, distinct from the courts of common law. *Parmeter v. Bourne*, 8 Wash. 45, 35 P. 586; *Bull v. International Power Co.*, 84 N.J.Eq. 209, 93 A. 86, 88. The terms "equity" and "chancery," "court of equity" and "court of chancery," are constantly used as synonymous in the United States. It is presumed that this custom arises from the circumstance that the equity jurisdiction which is exercised by the courts of the various states is assimilated to that possessed by the English courts of chancery. Indeed, in some of the states it is made identical therewith by statute, so far as conformable to our institutions. *Wagner v. Armstrong*, 93 Ohio St. 443, 113 N.E. 397, 401

²⁹ **CHANCELLOR.** (Blacks 4th) In American law, this is the name given in some states to the judge (or the presiding judge) of a court of chancery; The Lord high In England, the highest judicial functionary in the kingdom; He exercises many functions and powers over and above the jurisdiction which he exercises in his judicial capacity in the supreme court of judicature, of which he is the head. Wharton.

³⁵ JUDICIAL COGNIZANCE: Judicial notice, or knowledge upon which a judge is bound to act without having it proved in evidence. [Black's Law Dictionary, 5th Edition, page 760.] Jurisdiction is the authority by which courts and judicial officers take cognizance of and decide cases. Barnett, 110 Vt. 221, 3 A.2d 521, 526;]

Government servants have been entrusted with the Peoples business and some have abused their power to enslave or sell the American People as cattle. The BAR has beguiled you with power, compartmentalized many, others have turned a blind eye for filthy lucre and some are just useful idiots.

Therefore it is conclusive that there are 21 powers given to our legislatures, 9 powers given to the President, 21+ prohibitions and all courts are to act only under common law. Among these powers nowhere can it be found authority from the People to perform any of the aforementioned unconstitutional acts or to create statutes controlling the behavior of the People, private corporation administrative acts and rules, a/k/a corporate charters are HEREIN DECREED NULL AND VOID.

Judges rest upon fraudulent appellate court rulings and statutes that are repugnant to the Constitution while they convince themselves that by following such statutes they are immune from penalties should the People become aware of their fraud. Take notice we are aware of the fraud and your feeble response is misguided and subject to serious legal consequences should you choose to remain silent and fail to act.

Because rights are unalienable, legislators cannot legislate (abolish) them away no matter what the BAR has instructed you. Rights come from God and not man; therefore not even the People can give them up for themselves or others. Once we the People ordained common law the law of the land no man can abrogate it; to claim to do so is an act of war against the People and their God.

Unconstitutional acts are not law³⁶ and no one is bound to obey them.³⁷ Judges are expected to maintain a high standard of judicial performance³⁸ and when they violate the Constitution they cease to represent the government,³⁹ become liable for damages⁴⁰ and lose any immunity they may think they have.⁴¹ "State

Founding Father Thomas Jefferson in his undeniable wisdom warned of the dangers of money and taxation in government. Could Jefferson have anticipated that courts of Constitution law would be reduced to treasonous banks, run by selfish land-pirates pretending to be judges (admiralty law), secretly stealing the unknown phenomenal inheritances and freedoms of this land, bought many of Jefferson's Founding Father friends and defended by freedom-lovers throughout the ages -- who selflessly spilt their blood for God's children of Liberty, when he said:

"The privilege of giving or withholding our moneys is an important barrier against the undue exertion of prerogative which if left altogether without control may be exercised to our great oppression; and all history shows how efficacious its intercession for redress of grievances and reestablishment of rights, and how improvident would be the surrender of so powerful a mediator." --Thomas Jefferson: Reply to Lord North, 1775. Papers 1:225

"I believe that banking institutions are more dangerous to our liberties than standing armies. If the

American people ever allow private banks [now including Banks Courts] to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks **will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered.**" Jefferson

**IN THE UNITED STATES DISTRICT COURT
FOR _____**

WRIT OF MANDAMUS

The United States District Court for _____ district of _____ State orders all State, County, City, Town, and Villages Judges; Court Clerks; County Clerks; County Sheriffs to obey the Law of the Land;

Article VI Clause 2. This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

The United States Constitution guarantees to every state in this union and the People thereof, a constitutional republican form of government that the judiciary and all oath takers must obey.

Therefore all State, County, City, Town, and Villages Judges; Court Clerks; County Clerks; County Sheriffs and United States Marshals are so ordered as follows:

- i. All State, County, City, Town, and Village Judges and clerks are to obey the law of the land specifically defined in Article VI Clause 2
- ii. All State, County, City, Town, and Villages Judges and clerks are to obey under penalty of 18 USC §2071, law of the land, are not to conceal, remove, mutilate or misfile any record, proceeding, paper, document, or other thing filed by the Common Law Grand Juries with the court clerk or county clerk.
- iii. All Federal, State, County, City, Town, and Villages Judges and clerks are to obey under penalty of 18 USC §1512, law of the land, are not to alter, destroy, mutilate, or conceal an object with intent to impair the object's integrity or availability for use in an official proceeding; or intimidate, threaten, or corruptly persuades another person to withhold a record, document, or other object, from an official proceeding; or obstructs, influences, or impedes any official proceeding.

- iv. All clerks under penalty of 18 USC §2076, law of the land, are to file and are not to refuse or neglect to make or forward any report, certificate, statement, or document from the common law grand jury and all judges are to act upon them as required by law.
- v. Sheriffs took an oath to support and defend the United States Constitution, consequently as per Article VI clause 2 the Laws of the United States are to be obeyed. Therefore upon command under seal of the 5th Amendments Common Law Grand Jury concerning violations, by judges, clerks, prosecutors or any other elected or appointed official of 18 USC § 2071, 18 USC §1512, 18 USC § 2071, 18 USC § 2076 or any other law of the fifty United states of America are to arrest the same for said offences.
- vi. Should the Sheriff fail to perform his duties, upon command under seal of the 5th Amendments Common Law Grand Jury concerning said violations the United States Marshal shall arrest the Sheriff and the Under Sheriff shall perform said duties in the Sheriff's stead.
- vii. Finally, the grand jury is an institution separate from the courts, over whose functioning the courts do not preside, no "supervisory" judicial authority exists. It is a constitutional fixture in its own right belonging to no branch of the institutional government, serving as a kind of buffer or referee between the Government and the people. The grand jury operates in the courthouse and under judicial auspices, operating at arm's length from the judicial branch". The Fifth Amendment's "constitutional guarantee presupposes an investigative body 'acting independently of either prosecuting attorney or judge, unfettered by technical rules. Therefore judges and clerks have no authority to prevent, obstruct or interfere with the peoples' necessary compensation and access into the courts, 18 USC §1512b, in order to operate in the courthouse for the administration of the Common Law Juries.

10 The purpose of this memorandum is to clarify the blessings of Liberty via Natural Law which is the jurisdiction that We the People ordained and established for the United States of America that We the People should be judged, thereby freeing the People from all legislative bondage, this is our heritage, this is the "Great American experiment"!

And to reveal how the treasonous BAR and their esquires, minions of the NWO, manipulated the constitutionally ignorant congress to conspired to supplant the Law in exchange for money and power, placing themselves in positions of honor that was

when the 14th Amendment was divided into “two” thereby holding the position of the
13th and the 14th. The now hidden, ratified, and still Law, Amendment carries an
enforceable strict penalty, i.e., “inability to hold office” and “loss of citizenship” for
20 holding the title of honor called “esquire”. See Memorandum “Original 13th
Amendment”.

This is particularly destructive today in the 21st Century as government is increasingly
FOR SALE to the highest bidder, as foreign and multinational corporations and
individuals compete to line the pockets of politicians and political parties to
accommodate and purchase protection or privilege, i.e. honors, for their special
25 interests. Resulting in the concealment of Natural Law Jurisdictions and carrying the
People away to jurisdictions unknown, replacing “Natural Rights” with “civil rights”.

PROCLAMATION OF COMMON LAW

In 1775, Colonial “Militiamen,”⁶ a/k/a We the Sovereign People,⁷ took up arms against
the British troops of the tyrant king George for subversion of the unalienable rights of
30 We the Sovereign People. On July 4th 1776, We the Sovereign People, in a Declaration
of Independence, dissolved the political bands with Britain proclaiming; “*When in the
Course of human events, it becomes necessary for one people to dissolve the political
bands which have connected them with another, and to assume among the powers of the
earth, the separate and equal station to which the Laws of Nature and of Nature's God
35 entitle them, a decent respect to the opinions of mankind requires that they should
declare the causes which impel them to the separation. We hold these truths to be self-
evident, that all men are created equal, that they are endowed by their Creator with
certain unalienable Rights, that among these are Life, Liberty and the pursuit of
Happiness.--That to secure these rights, Governments are instituted among Men,
40 deriving their just powers from the consent of the governed.” In this Proclamation, We
the Sovereign People laid the foundation of our Constitution calling upon our Creator,
acknowledging the covenant with God, by establishing the “Law of the Land”. That is
the “Common Law” that the Bill of Rights expresses.*

⁶ **MILITIA:** The body of citizens in a state, enrolled for discipline as a military force. but not engaged in actual service except in emergencies, as distinguished from regular troops or a standing army. Ex parte McCants. 39 Ala. 112; Worth v. Craven County, 118 N.C. 112, 24.

⁷ **SOVEREIGN PEOPLE:** The political body, consisting of the entire number of citizens and qualified electors. who. in their collective capacity, possess the powers of sovereignty and exercise them through their chosen representatives. Scott v. Sandford. 19 How. 404, 15 L.Ed. 691.

45 The acknowledgement of this covenant with God under His Law was made clear by a committee of three, John Adams, Thomas Jefferson and Benjamin Franklin that were chosen to author our founding document, the Declaration of Independence in 1776. This same committee of three was again chosen by the Continental Congress to work on and submit a national seal design for approval. Jefferson, in the representation of the Law of the Land and our structure of government, designed an illustration of the Israelites' exodus out of slavery and bondage from Egypt.

55 Benjamin Franklin had an idea similar to Jefferson's and wanted to also illustrate a scene from the Exodus of the Israelites. The seal would show Moses parting the Red Sea with Pharaoh and his chariots being overwhelmed by the waters with the motto "*Rebellion to tyrants is obedience to God.*" Thomas Jefferson became so enamored with this motto he incorporated it for his own personal seal design.

60 In 1782, Congress rejected the Jefferson and Franklin designs and instead adopted a two sided seal designed by Charles Thomson. His seal gave allegiance to a secret society that symbolically made the point within the seal that there was already a conspiracy to supplant the Law of the Land (God) with the civil law of man (under a new world order). Franklin was not happy with the eagle, as he explained in a letter to his daughter: "*For my own part, I wish the Bald Eagle had not been chosen as the Representative of our Country. He is a Bird of bad moral Character. He does not get his living honestly. You may have seen him perched on some dead Tree near the River, where, too lazy to fish for himself, he watches the Labor of the Fishing Hawk; and when that diligent Bird has at length taken a Fish,...*"

65
70 the Bald Eagle pursues him and takes it from him."

In 1789, We the People of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity did

75 ordain and establish the Constitution for the United States of America.

In 1791, We the People of the United States “*expressed a desire in order to prevent misconstruction or abuse of its powers, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government, will best ensure the beneficent ends of its institution*” RESOLVING THAT: this Bill of
80 Rights “*to be valid to all intents and purposes, as part of the said Constitution.*”

The Bill of Rights thereby being the capstone of our Constitution, laid the foundation of our unalienable rights, in addition to Article I Section 9 of the Constitution that expressed the Blessings of Common Law by which all law is measured in that all laws repugnant to Liberty are “*null and void*”. Marbury v Madison

85 Therefore, by We the People calling upon God in 1776 desiring the righteousness of His Law, seeking the Blessing of His liberty in 1789 and proclaiming His unalienable rights in 1791, entered into an everlasting covenant with Him that no man can depose.⁸ Now, being his children through adoption to whom pertained the covenants, the law and the promises⁹, He Put His laws into our mind and wrote them in our hearts and became to us
90 a God. We became to him His People¹⁰ and He shall judge the world in righteousness, He shall minister judgment to the people in honor¹¹; therein the Common Law!

God decreed concerning those who would attempt to unseat Him and overthrow His covenant and bind His people in a statutory bondage¹² saying,¹³ “*it shall come to pass that the LORD will give His People rest from their sorrow, and from their fear, and
95 from the hard bondage wherein they were forced to serve leviathan (novus ordo seclorum¹⁴); they will not rise and possess the land, nor fill the face of the world with their [dark] cities*” and that he would rise up against them at the worlds darkest moment¹⁵ and “*sweep the children of iniquity with the broom of destruction.*” Of that day the Lord said, “*Surely as I have thought, so shall it come to pass; and as I have
100 purposed, so shall it stand: In that day the LORD with his sore and great and strong sword will punish leviathan¹⁶ the piercing serpent, even leviathan that crooked serpent;*

and slay the dragon that is in the world.” Therefore, We the Sovereign People will reestablish the Law of the Land and God will execute His Judgment upon all who offend. And it appears that God has begun His Judgments via a type of King Cyrus that it appears He has raised in the city of harlots Washington DC. For God revealed to us that there is no power among men that has not been given from above.¹⁷

In 1871 in an act of high treason, the 41st Congress acted without constitutional authority, an act of fraud (Organic Act of 1871), conspiracy and subversion against the United States of America attempting to depose our covenant with our creator and thereby establishing a totalitarian government unaccountable to We the Sovereign People, under foreign control, behind which the conspiratorial erosion of our Constitution began. Only We the Sovereign People can ordain and establish Laws¹⁸ and governments¹⁹. Only We the Sovereign People are endowed by the Creator with certain unalienable rights. Governments are not! Therefore, all latter construction upon the Organic Act of 1871 is as “null and void” as is the Act itself, which attempted to supplant our Constitutional Republican Form of Government that our servants were entrusted to guarantee, by oath.

Article IV Section 4 - The United States shall guarantee to every state in this union a republican²⁰ form of government, and shall protect each of them against invasion;...

Any court resting upon said Act is a de facto court²¹. Any judge acting under such fiction of law²² denies due process²³ and is acting in excess of their judicial authority²⁴,

¹⁸ **PREAMBLE:** “We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.”

¹⁹ **GOVERNMENT:** “Republican Government; one in which the powers of sovereignty are vested in the people and are exercised by the people” In re Duncan, 139 U.S. 449, 11 S.Ct. 573, 35 L.Ed. 219; Minor v. Happersett, 88 U.S. (21 Wall.) 162, 22 L.Ed. 627. Black's Law Dictionary, Fifth Edition, p. 626.

²⁰ **REPUBLIC:** A form of government which derives all its powers directly from the people where elected servants hold office for a limited period or during good behavior [not exceeding their vested powers] or at the pleasure of the people.

²¹ **DE FACTO GOVERNMENT:** One that maintains itself by a display of force against the will of the rightful legal government and is successful, at least temporarily, in overturning the institutions of the rightful legal government by setting up its own in lieu thereof. Wortham v. Walker, 133 Tex. 255, 128 S.W.2d 1138, 1145.

²² **FICTION OF LAW:** “Something known to be false is assumed to be true.” Ryan v. Motor Credit Co., 130 N.J.Eq. 531, 23 A.2d 607, 621. “That statutes which would deprive a citizen of the rights of person or property without a regular trial, according to the course and usage of common law, would not be the law of the land.” Hoke vs. Henderson, 15, N.C.15,25 AM Dec 677. “A rule of law which assumes as true, and will not allow to be disproved, something which is false, but not impossible.” Best. Ev. 419.

²³ **DUE COURSE OF LAW,** this phrase is synonymous with “due process of law” or “law of the land” and means law in its regular course of administration through courts of justice. - Kansas Pac. Ry. Co. v. Dunmeyer 19 KAN 542.

in collusion, under color of law²⁵, thereby losing judicial immunity.²⁶ Therefore, any judicial reliance upon said act is injudicious, an act of seditious conspiracy to overthrow our Republican form of government. Any clerk failing to file common law documents, such as this, also enters into the seditious conspiracy.

18 U.S. Code §2385 - Advocating overthrow of Government; 18 USC §2384: Seditious conspiracy with wide spread mutilating; and, 18 USC §2071: failing to file.

In 1878 in an act of high treason, seventy-five lawyers from twenty states and the District of Columbia met in Saratoga Springs, New York, to establish the American Bar Association (ABA), the minions of the “*new order of the ages*.” Since that first meeting, the ABA has worked in the shadows infiltrating our government, our courts, our churches, our institutions and our media; demoralizing our children all in an effort to expunge our common law and replace it with civil law a/k/a Babylonian law, Justinian law, or Roman Law. Today, with almost a half a million BAR members, 80,000 of them working in Washington DC. They have perverted the rule of law, deprived We the Sovereign People of due process and have supplanted our Article III courts with jurisdictions unknown.

In November 1910 in an act of high treason, six men – Nelson Aldrich, Abram Andrew, Henry Davison, Arthur Shelton, Frank Vanderlip and Paul Warburg – met at the Jekyll Island Club, off the coast of Georgia, to write a plan to reform the nation’s banking system. The meeting and its purpose were closely guarded secrets, and participants did

²⁴ **EXCESS OF JUDICIAL AUTHORITY:** “Acts in excess of judicial authority constitute misconduct, particularly where a judge deliberately disregards the requirements of fairness and due process.” Cannon v. Commission on Judicial Qualifications, (1975) 14 Cal. 3d 678, 694; Society’s commitment to institutional justice requires that judges be solicitous of the rights of persons who come before the court. [Geiler v. Commission on Judicial Qualifications, (1973) 10 Cal.3d 270, 286];

²⁵ **COLOR OF LAW:** The appearance or semblance, without the substance, of legal right. [State v. Brechler, 185 Wis. 599, 202 N.W. 144, 148] Misuse of power, possessed by virtue of state law and made possible only because wrongdoer is clothed with authority of state, is action taken under “color of state law.” (Atkins v. Lanning, 415 F. Supp. 186, 188)

²⁶ **JUDICIAL IMMUNITY:** “... the particular phraseology of the constitution of the United States confirms and strengthens the principle, supposed to be essential to all written constitutions, that a law repugnant to the constitution is void, and that courts, as well as other departments, are bound by that instrument.” ... “In declaring what shall be the supreme law of the land, the Constitution itself is first mentioned: and not the laws of the United States generally, but those only which shall be made in pursuance of the Constitution, have that rank”. ... “All law (rules and practices) which are repugnant to the Constitution are VOID”. ... Since the 14th Amendment to the Constitution states “NO State (Jurisdiction) shall make or enforce any law which shall abridge the rights, privileges, or immunities of citizens of the United States nor deprive any citizens of life, liberty, or property, without due process of law, ... or equal protection under the law”, this renders judicial immunity unconstitutional. Marbury v. Madison, 5 U.S. (2 Cranch) 137, 180 (1803); There is a general rule that a ministerial officer who acts wrongfully, although in good faith, is nevertheless liable in a civil action and cannot claim the immunity of the sovereign. Cooper v. O’Conner, 99 F.2d 133

not admit that the meeting occurred until the 1930s. But, the plan written on Jekyll
145 Island laid a foundation for what would eventually be the Federal Reserve System.

In 1913 in an act of high treason, three unratified diabolical acts of Congress and in
1865 one ratified but mysteriously removed and hidden Amendment set the course for
the destruction of the United States of America:

- 1) The unlawful removal and concealment of the original 13th Amendment. This
150 Article of Amendment, ratified in 1819 and which just “disappeared” in 1876,
added an enforceable strict penalty, i.e., inability to hold office and loss of
citizenship, for violations of the already existing constitutional prohibition in
Article 1, Section 9, Clause 8 on titles of nobility and other conflicts of citizenship
155 interest, such as accepting emoluments of any kind for services or favors rendered
or to be rendered. This is particularly applicable today in the 21st Century as
government is increasingly FOR SALE to the highest bidder, as foreign and
multinational corporations and individuals compete to line the pockets of
politicians and political parties to accommodate and purchase protection or
privilege, i.e. honors, for their special interests.
- 160 2) The Sixteenth Amendment which only appears to create an income tax,²⁷ an act of
extortion and a sponsor of debtor’s prisons, in direct violation of the Constitution
Article I Section 9 Clause 5. “*No capitation, or other direct, tax shall be laid,
unless in proportion to the census or enumeration herein before directed to be
taken.*”
- 165 3) The Seventeenth Amendment destroyed the checks and balance of power in
violation of the Constitution Article V, which states, “*no state, without its consent,
shall be deprived of its equal suffrage in the Senate.*” The 16th Amendment
removed the States representation in Washington giving the Senate to the People
who already had representation in congress thereby “*depriving states of its equal
170 suffrage.*” Every State being sovereign has the ability to correct this
unconstitutional amendment by the power of nullification. The Governor and two
houses of each state need only recall their two unconstitutional senators and send
two that will represent the will of the State.
- 175 4) The unconstitutional Federal Reserve Banking Act of 1913 gave control of
America’s economy to a private corporation owned by foreign bankers who answer
to no one and regulate the value of worthless notes of debt called the dollar, robbed

²⁷ “Congress cannot by any definition (of income in this case) it may adopt, conclude the matter, since it cannot by
legislation alter the Constitution, from which alone it derives its power to legislate, and within whose limitations alone that
power can be lawfully expressed.” *Eisner v. Macomber*. 252 U.S. 189; “In construing federal revenue statute, Supreme
Court gives no weight to Treasury regulation which attempts to add to statute something which is not there.” *United States
v. Calamaro*, 354 U.S. 351 (1957). 1 L. Ed. 2d 1394. 77 S. Ct. 1138 (1957); “The 16th Amendment does not justify the
taxation of persons or things previously immune. It was intended only to remove all occasions for any apportionment of
income taxes among the states. It does not authorize a tax on a salary” *Evans V. Gore*. 253 U.S. 245

We the People of our gold and bankrupted America. Thomas Jefferson warned us when he wrote, *"I sincerely believe that banking institutions are more dangerous to our liberties than standing armies. The issuing power should be taken from the banks, and restored to the people to whom it properly belongs."* President Andrew Jackson stated in reference to the bankers at the state of his administration, *"You are a den of vipers and thieves. I intend to rout you out, and by the Eternal God, I will rout you out."*

The Federal Reserve Act was a vile act of congress in violation to the Constitution Article I Section 8 Clause 5 - *"The Congress shall have power to coin money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures;"* and Article I Section 10 Clause 1 - *"No state shall make anything but gold and silver coin a tender in payment of debts;"* Congress was given NO AUTHORITY to pass their Constitutional duty to foreign banksters who have bankrupted our monetary system. This was and continues to be an act of treason.

Charles A. Lindbergh, Sr., concerning the Federal Reserve Act, said, *"The financial system has been turned over to the Federal Reserve Board. That Board administers the finance system by authority of a purely profiteering group. The system is Private, conducted for the sole purpose of obtaining the greatest possible profits from the use of other people's money... This establishes the most gigantic trust on earth. When the President [Wilson} signs this bill, the invisible government of the monetary power will be legalized....the worst legislative crime of the ages is perpetrated by this banking and currency bill ... From now on, depressions will be scientifically created."*

The Federal Reserve was chartered by an act of deceit, through an act of congress when most had gone home for Christmas holiday on December 23rd, 1913. No recess had been called, while nearly every senator had gone home. Only three senators passed the act with a unanimous voice vote, 3-0. There were no objections.

James Madison, the main author of the U.S. Constitution wrote, *"History records that the money changers have used every form of abuse, intrigue, deceit, and violent means possible to maintain their control over governments by controlling money and its issuance."*

1934 Congressman McFadden on the Federal Reserve Corporation Remarks in Congress: *"Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve*

210 *Banks, hereinafter called the Fed. The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. TODAY in an act of high treason, under legislation such as the Patriot Act and the creation of the Department of Homeland Security, We the Sovereign People are under
230 attack by our very own elected and appointed servants. Our very way of life is in jeopardy because of the ignorance of the meaning of words and the misuse of the way that government by consent that our founders framed for us has been abused.

In acts of high treason and lies the Southern Poverty Law Center (SPLC) Intelligence Report,²⁸ proclaiming to be the nation’s preeminent periodical monitoring the radical
235 right in the United States, is fueling all government agencies and police departments into believing that anyone that uses specific words like militia, sovereign, oath keepers, constitution, patriots and even founding fathers, to name just a few, are armed, radicals and dangerous cop killers, whose names are put on the terrorist watch list. This agitation often causes police to over-react with excessive force and on a few occasions respond
240 by SWAT when these words are used at traffic stops.

²⁸ https://www.splcenter.org/intelligence-report?ID=field_intel_report_issue%3A11691

Much of the over-reaction that fuels the police comes from www.policemag.com that spews forth the lies of the Southern Poverty Law Center to unsuspecting law-enforcement agencies and departments. The SPLC is an arm of the BAR whose purpose is to excite violence by federal agents and police upon We the Sovereign People who
245 are trying to make sense of our out of control federal judiciary and be free.

The fact of the matter is *"In United States, sovereignty resides in people. The Congress cannot invoke the sovereign power of the People to override their will..."*²⁹ *"It will be admitted on all hands that with the exception of the powers granted to the states and the federal government through the Constitutions, the people of the several states are unconditionally sovereign within their respective states..."*³⁰ *"Supreme sovereignty is in the people - No authority can, on any pretense whatsoever, be exercised over the citizens of this state, but such as is or shall be derived from and granted by the people of this state..."*³¹ *"Sovereignty itself is, of course, not subject to law, for it is the author and source of law; but in our system, while sovereign powers are delegated to the agencies of government, sovereignty itself remains with the people, by whom and for whom all government exists and acts And the law is the definition and limitation of power..."*³²
250
255

So how is it that patriotic People who claim to be sovereign and believe in the Constitution and insist that our elected servants keep their oaths are somehow home
260 grown terrorists? We the Sovereign People are determined through this action to reveal why and correct it.

SUBVERSION OF THE COMMON LAW

It has been our experience that ALL BAR attorneys in an act of high treason have been
265 unwittingly brainwashed to resist the Common Law and replace it with statutes of men, most of which are repugnant to the Constitution and its cap stone Bill of Rights. These statutes create a statutory prison that stifles the spirit of man and legislates man's behavior thereby the government assumes the character of God.

"The civil lawyer by his tradition and training tends to treat statutes as though they proceed from the gods because bred into civil law systems is the demand that he not look behind the language of the statute in coming to his decisions: the

Code is supreme, which is to say that legislators is supreme. Adherence to the Code is, by custom, practically blind.”³³

275 In acts of high treason BAR attorneys have been indoctrinated to believe that the
Common Law has been abrogated and that God’s Law, a/k/a Common Law is no longer
applicable. Thereby unwittingly bringing People under the will of tyrants; they have
been trained that courts must punish through incarceration all who offend their ten
thousand commandments that Justinian³⁴ brought up from the pit of Babylon.³⁵
Justinian’s Code is a code of outlaw focusing all on the will of the state. To this day
280 Corpus Juris Civilis³⁶ and the ideals it embodies permeate and control the modern civil
law tradition.

Unconstitutional legislated laws of men change with the times, serve agendas, serve
governments, demoralize men and are incapable of mercy. Whereas, God’s laws are the
same yesterday, today and tomorrow, they serve God, they serve man, they benefit both
285 victim and wrongdoer, they provide for repentance, they consider mercy, and they build
morals and save souls. Whereas, with unconstitutional legislated laws where the facts of
a case and intent of the accused is superseded by statutes where one size fits all and can
never serve justice. It serves the status quo in order to control the behavior of man so
tyrants can rule over them.

290 In 1776, We the People ordained the Declaration of Independence where we covenanted
with God thereby we founded ourselves under the Laws of Nature's God whereby He
gifted us with certain Unalienable Rights, that among these are Life, Liberty, and the
pursuit of happiness and that to secure these rights, Governments are instituted among
men, deriving their just powers from the consent of the governed. Common Law

³⁴ **CODE OF JUSTINIAN:** The Code of Justinian (Codex Justinianus) was a collection of imperial constitutions, compiled, by order of that emperor, by a commission, and promulgated A. D. 529. It comprised twelve books, and was the first of the four compilations of law which make up the Corpus Juris Civilis.

³⁶ **CORPUS JURIS CIVILIS:** The body of the civil law. The system of Roman jurisprudence compiled and codified under the direction of the emperor Justinian, in A.D. 528-534.; **CIVIL LAW:** The system of jurisprudence held and administered in the Roman empire, particularly as set forth in the compilation of Justinian and his successors,—comprising the Institutes, Code, Digest, and Novels, and collectively denominated the "Corpus Juris Civi/is,"—as distinguished from the common law of England.

is the Right of the People to replace the guard (present representatives & administrators) and restore the Law of the Land, thereby securing our safety and happiness.³⁷

300 The 41st Congress in an act of high treason, unbeknown by the majority, defrauded the People by the passing of the Organic Act of 1871 that created a state within a state within a city, transferring the control of Washington DC to the "Deep State." Future congresses, under the direction of the minions of the NWO, a/k/a the BAR, continued to build acts and alter statutes upon the fraud. This transformed our Unalienable Rights to civil rights,³⁸ our Republic to a democracy, the United States to a corporation, and the Laws of Nature's God to civil and criminal laws which have their roots in Babylon. This
305 placed the United States under fiction of law³⁹ and as long as the People believe the fiction to be law, it is!

These acts of Congress were without authority, lawless and therefore null and void.⁴⁰ And, until the People understand and believe this, we cannot restore the Republic. Perception changes everything, for reality is as one believes and the tyrants know it!

310 BAR ATTEMPT TO ABOLISH GRAND JURIES

In March 1922 in an act of high treason, the New York County Association of the Criminal BAR announced that it planned a vigorous state wide campaign to abolish the Grand Jury institution. Former district attorney Robert Elder called upon public

³⁷ Declaration of Independence: "When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

³⁸ **14th AMENDMENT:** All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

³⁹ **FICTION OF LAW:** Something known to be false is assumed to be true. Ryan v. Motor Credit Co., 130 N.J.Eq. 531, 23 A.2d 607, 621, that statutes which would deprive a citizen of the rights of person or property without a regular trial, according to the course and usage of common law, would not be the law of the land. [Hoke vs. Henderson, 15, N.C.15.25 AM Dec 677]. A rule of law which assumes as true, and will not allow to be disproved, something which is false, but not impossible. Best. Ev. 419.

⁴⁰ **NULL & VOID:** "All laws, rules and practices which are repugnant to the Constitution are null and void" -- Marbury v. Madison, 5th US (2 Cranch) 137, 180: "Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them" Miranda v. Arizona, 384 U.S. 436, 491; "... that statutes which would deprive a citizen of the rights of person or property without a regular trial, according to the course and usage of common law, would not be the law of the land." Hoke vs. Henderson, 15, N.C.15.25 AM Dec 677.

prosecutors to take the initiative in replacing the “inefficiency, ignorance and traditional
315 bias” of grand jurors, and Judge Thomas Crain of New York supported the movement. Testifying before the Committee of Law Enforcement of the American Bar Association, he observed that “a judge or some other man learned in statutes should participate in grand jury hearings.” In Minnesota, attorney Paul J. Thompson urged his state to adopt the Wisconsin system of prosecution upon the order of a district attorney. In 1922 Judge
320 Roscoe Pound and Felix Frankfurter conducted a survey of criminal justice in Cleveland and added the weight of expert testimony to those who sought to eliminate the use of grand juries. Pound and Frankfurter reported that juries were inefficient and unnecessary, since trial courts (politically driven men) were quite capable of protecting Americans against executive tyranny. How’s that working out for us today?

325 However, professional opposition to the inquest of the people did not go unchallenged. In 1924, the Grand Juror's Association of New York began publication of the Panel, a militantly pro-grand jury periodical. Through its pages, former grand jurors, judges, and prosecutors made clear the importance of the institution. The Association urged grand juries to exercise their full powers as representatives of the people and fought all
330 attempts to make them mere agents of the court. As a result of its efforts, grand juries took on a new importance for many people.

In 1938 at the New York Constitutional Convention approved by vote of the people on November 8, 1938 and later confirmed again on November 6, 2001 the following clause: Article I §6 “*The power of grand juries to inquire into the willful misconduct in
335 office of public officers, and to find indictments or to direct the filing of informations in connection with such inquiries, shall never be suspended or impaired by law. No person shall be deprived of life, liberty or property without due process of law.*”

From the very beginning of our Nation, BAR members from Great Brittan were sabotaging the American experiment in a concerted effort to subvert the people through
340 an all-out assault upon the sacred institution of juries. The assault continues to this day; rejecting independent juries as a good thing and making feeble arguments claiming they are inefficient, untrained in law, too expensive, dangerous, and often exceed their authority. Wait a second, I thought we were the authority that ordained and established the Law of the Land. Untrained in whose law, man’s law? Certainly not God’s law, for
345 these subverts don’t even know God except the god of their bellies. Dangerous to whom, Tyrants and Criminals? Inefficient by whose assessment, BAR attorneys? It is the BAR attorney that drags cases on and on for years and NEVER metes out Justice. It

is the BAR attorney that makes justice too expensive. And it's God's Law that rules over all men and it was God who ordained the tribunal of twelve (petit jury).

350 Clearly, the only possible motive behind the BAR's contempt for the Jury is fraud and tyranny. Our founding fathers understood this and that is why they wrote Article I Section 9 which states, "*No title of nobility shall be granted by the United States: and no person holding any office of profit or trust under them, shall, without the consent of the Congress, accept of any present, emolument, office, or title, of any kind whatever,*
355 *from any king, prince, or foreign state.*" It is not lawful for BAR members to hold office and by their actions they have proven the wisdom of our founding fathers' warnings.

Early on, Jefferson came to the aid of Juries, the very institution that saved our founders from unjust prosecutors from England who eventually carried many away across the sea to try them. Jefferson said, "*I know no safe depositary of the ultimate powers of the*
360 *society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education. This is the true corrective of abuses of constitutional power.*"

POWER AND AUTHORITY

365 There is a war that has been raging since antiquity, a war for our hearts and our minds, for our flesh, for our very souls; to bring all mankind under a one world order (novus ordo seclorum).⁴¹ As George Washington put it, "*orchestrated by a small group of cunning, ambitious, and unprincipled men*⁴² *who have subverted the power of the people and usurped for themselves the reins of government. They have put in the place of the*
370 *delegated will of the nation the will of a small but artful and enterprising minority to make the public administration the mirror of their ill-concerted and incongruous projects of faction, rather than the organ of consistent and wholesome plans digested by common counsels and modified by mutual interests.*"

⁴¹ The phrase *Novus ordo seclorum* (Latin for "New order of the ages" (NWO); English pronunciation: /'noʊvəs 'ɔːrdʊs seˈklɔːrəm/; Latin pronunciation: [ˈnɔwʊs 'oːrdoː seˈkloːrūː]) appears on the reverse (or back side) of the Great Seal of the United States, first designed in 1782 and printed on the back of the United States one-dollar bill since 1935. Soon after America became a new nation, the Continental Congress formed a committee to "prepare a device for the seal of the United States of North America." The committee consisting of Benjamin Franklin, John Adams and Thomas Jefferson on May 10, 1780. Congress rejected the design submitted by the committee. Then the matter was referred to the Secretary of Congress, Charles Thomson, who asked the assistance of William Barton, a prominent citizen of Philadelphia. Barton proposed two designs, then Thomson submitted his own, which, revised by Barton, was finally adopted in 1782.

⁴² Ephesians 2:2

375 *“There are only two fundamental traditions of law and government that are active*
among humanity, each manifesting contrary ideals: the common law and the civil law.
The common law rests upon justice administered by scriptural principles that
presuppose and guard against the inherent imperfections of human reason. The civil
380 *law, on the other hand, justifies its methods by presupposing and appealing to man's*
notions of perfected reason. The common law tradition governs only a handful of
countries and is fundamentally consonant with Scripture, acknowledging the divine
eternality of law as the measure of all things. The civil law tradition, on the other hand,
governs most modern nations and is fundamentally Babylonian trusting human reason
as the worthy measure of all things. The common law tradition recognizes the necessity
385 *of human administration of law and government, while providing safeguards against*
*man's weaknesses.”*⁴³

Legislated laws of men change with the times, serve agendas, serve governments, are incapable of mercy and demoralize men. Whereas, God's laws are the same yesterday, today and tomorrow, they serve God, serve man, benefit both victim and wrongdoer, provide for repentance, considers mercy, builds morals and save souls.

390 We the Sovereign People ordained and establish a federal government to serve the following six directives:

(1) FORM A MORE PERFECT UNION;

Create a federal city,⁴⁴ establish uniform naturalization rules,⁴⁵ coin money,⁴⁶ establish post offices, post roads,⁴⁷ legislate counterfeiting,⁴⁸ and piracy laws.⁴⁹

395 **(2) ESTABLISH JUSTICE;**

Create courts,⁵⁰ secured habeas corpus,⁵¹ congress may not impose an income (direct) tax,⁵² forbid BAR attorneys from holding office,⁵³ and prevent misconstruction or abuse of powers.⁵⁴

(3) INSURE DOMESTIC TRANQUILITY;

⁴³ Excellence of the Common Law by Brent Winters, pg 45.

⁴⁴ **Article 1 Section 8 Clause 17:** To exercise exclusive legislation in all cases whatsoever, over such District (not exceeding ten miles square) as may, by cession of particular states, and the acceptance of Congress, become the seat of the government of the United States, and to exercise like authority over all places purchased by the consent of the legislature of the state in which the same shall be, for the erection of forts, magazines, arsenals, dockyards, and other needful buildings; In September 1791, the commissioners named the federal city in honor of Washington and dubbed the district. In 1871 by the unconstitutional Organic Act of 1871 the District officially was renamed District of Columbia.

410 Our Constitution provided for a government that united the States as one unique Nation where “*no state is deprived of its equal suffrage in the Senate.*”⁶² But insidious factions within all three branches of our government have conspired and have succeeded in depriving every state its equal suffrage, destroying all balance of power between the States through the passing as law the repugnant XVII Amendment. A law specifically
415 and explicitly FORBIDDEN by the Constitution itself.⁶³

Amendment X clearly stated that “*The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, ARE RESERVED TO THE STATES RESPECTIVELY OR TO THE PEOPLE.*”

420 All legislation by Congress that was not delegated to them is null and void and it is the duty of this Congress to READ and UNDERSTAND our Constitution and start obeying it because clearly they are not and in the day of reckoning, ignorance of the law will be no excuse!

425 The foundation of our Constitution is the Declaration of Independence which states; whenever any Form of Government becomes destructive to our unalienable rights such as life, liberty, pursuit of happiness and government by consent of the governed, it is the Right of the People to remove from office by indictment or recall any elected, appointed or hired servants who refuse to obey the Law of the Land. a long train of abuses and usurpations by our government that perpetually pursued the same objective which revealed a design to reduce the People to living under absolute
430 despotism. Therefore it is our right and our duty to indict such tyrants and try them for treason in a court of Justice.

These tyrants have infiltrated our government from the very inception of our Nation and in acts of high treason they have labored continually, thereby deteriorating our Union and taking the controls at every level of government. They have changed our federal
435 city built upon righteousness and governed by our Creator's Law (Common Law) into a corporate state of greed and corruption controlled by foreign bankers and BAR attorneys. They have brought us to the very brink of World War III.

Tyrants in Congress in an act of high treason have ignored and expunged the Peoples six directives: (1) instead of Forming a more perfect union, they have given our federal city,
440 post offices and coining of money to foreign bankers and BAR attorneys; (2) instead of Establishing Justice, they have turned our courts to jurisdictions unknown, abolished habeas corpus, imposed an income tax that has destroyed the middle class and turned all law making over to the BAR who have abrogated the Law of the Land; (3) instead of Insuring Domestic Tranquility, they have abolished the militia and closed our armories;
445 (4) instead of Providing for the Common Defense, they have kept our armed forces in a state of perpetual war; (5) instead of Promoting the General Welfare they have regulated commerce and instead of making commerce regular, they imposed unconstitutional sin taxes. Advancements in science health and technology have been hidden, inventors have been stifled and murdered; (6) instead of Securing the Blessings of Liberty, they have
450 changed our Republic first into a democracy and now into an oligarchy.

There is a hidden hand that orchestrates events, our courts and our legislation through the insidious BAR. America is in shambles and our elected servants walk as blind men.

These tyrants within have denied us due process, they abrogated the common law, they have created federal debtors prisons (IRS), they rob our homes through non-judicial
455 foreclosures, they steal our children in family court, they steal our parents and their estates in probate courts, they taint every grand and trial jury, they have created free speech zones, they have labeled patriots terrorists, they have destroyed our political process, they have stolen our free press, they have infringed upon our right to defend ourselves, they have destroyed our manufacturing base, they have chased 88% of the top
460 Fortune 500 companies out of America, they have destroyed our economy, they have

turned our dollar into debt, they have robbed our silver and gold, they have demoralized our children, they have opened our borders, they have used the BLM to terrorize American ranchers, miners and loggers in order to sell off America's resources to foreign countries, they have sold our postal systems to foreign corporations, they have
465 brokered our electric company sales to foreign corporations, they spy on the We the People intercepting and storing all of our communications in case we become persons of interests.

Our servants take money (bribes) from special interest groups, thereby selling their vote and their soul to the highest bidder, usually on legislation that they don't even have the
470 constitutional authority to pass in the first place, placing the will of the corporate world above the will of the People.

Acts of our servants are not to provide for special interest groups, not to divide us, not to establish statutory courts in jurisdictions unknown, not to establish laws that enslave the human spirit, not to keep us in perpetual war, not to demoralize us, not to destroy our
475 prosperity, not to put us in harm's way, not to rob us of a proper education and not to lead us as lambs to the slaughter.

We the People did not consent to any legislated powers that codify our behavior or penalize wrongdoers. Common Law decrees that in order for there to be a crime there must be an injured party, and it is We the People, through an untainted grand jury, who
480 are to decide if there is evidence to indict. It is We the People, through an untainted trial jury, who are to decide both the law and the facts. It is We the People, through an untainted trial jury, who are to decide guilt or innocence. It is We the People, through an untainted trial jury, who are to decide the penalty. Common Law decrees that for every injury there must be a remedy. Restitution is the remedy that has the power to restore
485 both victim and wrongdoer.

The covenant made between God and His people in 1776 empowered We the People to self-government. George Washington said the United States was built upon "*the fundamental maxims of true liberty*" and that "*the basis of our political systems is the right of the people to make and to alter their constitutions of government. But the*
490 *Constitution which at any time exists, till changed by an explicit and authentic act of the whole people, is sacredly obligatory upon all. The very idea of the power and the right of the people to establish government presupposes the duty of every individual to obey the established government.*"

495 By God were all things created, that are in heaven, and that are in earth, visible and
invisible, whether [they be] thrones, or dominions, or principalities, or powers. All
things were created by him, and for him: And he is before all things, and by him all
things consist and through His common law, We the People are vested with unalienable
rights, governments are not! Your power and authority is defined in the Constitution
that We the People ordained and established. Therefore, be now cognizant that:

500 We the People have been providentially provided legal recourse to address the criminal
conduct of persons, We the People entrusted to dispense justice through juries formed
by the People ourselves. We need not your permission; does the master seek leave from
his servant? Let us remind you that the first known recorded grand jury that was formed
505 written by We the People who wrote their intentions and commands down on paper
titled the "Magna Carter"! Not too much different than what We the People are doing
herein!

• BE NOW COGNIZANT THAT, *"The grand jury is an institution separate from the courts,
over whose functioning the courts do not preside ... the grand jury is mentioned in the
510 Bill of Rights, but not in the body of the Constitution. It has not been textually assigned,
therefore, to any of the branches described in the first three (3) Articles. It is a
constitutional fixture in its own right. In fact, the whole theory of its function is that it
belongs to no branch of the institutional government, serving as a kind of buffer or
referee between the Government and the people... The grand jury's functional
515 independence from the judicial branch is evident, both in the scope of its power to
investigate criminal wrongdoing, and in the manner in which that power is exercised.
'Unlike [a] [c]ourt, whose jurisdiction is predicated upon a specific case or controversy,
the grand jury can investigate merely on suspicion that the law is being violated, or even
because it wants assurance that it is not."*⁶⁴

520 Thus, We the People have the unbridled right by law and in law to empanel our own
grand juries and present "True Bills" of information, indictments and presentments to a
court of record, which is then required to commence a criminal proceeding. Our
Founding Fathers, with foresight, grafted into the common law Fifth Amendment, a
"buffer" that We the People may rely upon for justice, when public officials, including
525 judges, go rogue, act in bad behavior and criminally violate the law⁶⁵.

Decided May 4, 1992.

530 • BE NOW COGNIZANT THAT, BAR controlled federal and state court judges, by their presumed authority, contrary to their oath and duty, fraudulently claim the Constitution for the United States and its cap-stone Bill of Rights is abolished by statutes written by traitorous BAR members and passed by traitorous legislators, which are acts of conspiracy, treason and war against the United States of America and We the People.

535 • BE NOW COGNIZANT THAT, We the People Decreed by Writ Quo Warranto all said unconstitutional legislation null and void and declared all such subversives enemies of We the People of the United States of America and ordered all United States Marshals, Bailiffs, County Sheriffs and Deputies to arrest all such federal and state judges for conspiracy, treason and breach of the peace when witnessing the violation of Peoples' unalienable rights in our courts, in violation of Article III Section 3, for levying war against the people, adhering to the enemy, giving aid and comfort.⁶⁶

540 *18 U.S. Code §2385 whoever organizes or helps or attempts to organize any society, group, or assembly of persons who teach, advocate, or encourage the overthrow or destruction of any such government⁶⁷ by force or violence; or becomes or is a member of, or affiliates with, any such society, group, or assembly of persons [bar], knowing the purposes thereof - shall be fined under this title or imprisoned not more than twenty years, or both...*

545 • BE NOW COGNIZANT THAT, because rights are unalienable, legislators cannot legislate (abolish) rights away no matter what the BAR has instructed you. Rights come from God and not man; therefore, not even We the People can give them up for ourselves or others. Once We the People ordained common law as the law of the land, no man can abrogate it; to claim to do so is an act of war against the People and their God.

550 • BE NOW COGNIZANT THAT, unconstitutional acts are not law,⁶⁸ and no one is bound to obey them.⁶⁹ Judges are expected to maintain a high standard of judicial performance⁷⁰

⁶⁶ Article III Section 3: Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort.

Article I Section 8 To make rules for the government and regulation of the land and naval forces.

⁶⁸ "An unconstitutional act is not law; it confers no right; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed." - Norton vs Shelby County 118 US 425 p. 442.

and when they violate the Constitution, they cease to represent the government⁷¹, become liable for damages⁷² and lose any immunity they may have had⁷³. "State Judges, as well as federal, have the responsibility to respect and protect persons from violations of federal constitutional rights."⁷⁴

• BE NOW COGNIZANT THAT, "Decency, security, and liberty alike demand that government officials be subjected to the same rules of conduct that are commands to the citizen. In a Government of laws, existence of the government will be imperiled if it fails to observe the law scrupulously. Crime is contagious. If government becomes a lawbreaker, it breeds contempt for the law...it invites every man to become a law unto himself...and against that pernicious doctrine, this court should resolutely set its face." Olmstead v U.S., 277 US 348, 485; 48 S. Ct. 564, 575; 72 LEd 944; "Judges have no more right to decline the exercise of jurisdiction which is given, than to usurp that which is not given. The one or the other would be treason to the Constitution."⁷⁵ "No judicial process, whatever form it may assume, can have any lawful authority outside of the limits of the jurisdiction of the court or judge by whom it is issued; and an attempt to enforce it beyond these boundaries is nothing less than lawless violence."⁷⁶

• BE NOW COGNIZANT THAT, the Unified United States Common Law Grand Jury (UUSCLGJ) is comprised of fifty Grand Jurys each unified amongst the counties within their respective States that were overwhelmingly unified by re-constituting Common Law Grand Juries in all 3,133 United States counties. All fifty States have unified nationally as an assembly of Thousands of People in the name of We the People to suppress, through our Courts of Justice, subverts both foreign and domestic acting under color of law within our governments. We are the People and this Grand Jury will remain in session until we secure the nation from the tyrants at large and reinstate our Constitution in our courts.
